

Find Tickets

Allows users to search for tickets. There are two modes, simple and advanced.

Simple Mode: Allows the user to search for a single ticket by ticket number.

Advanced Mode: Provides several more options. In advanced mode users can select one or more search filters. They are:

- Ticket Number
- Excavator
- Between dates
- Address
- County
- Intersection
- Place
- Phone
- Work Date
- Code

After selecting the options desired, click on the **Search** button to execute the search.
